WHY CHOOSE US?

We understand that clean spaces support productive work, comfortable living, and the peace of mind that comes with a well-maintained environment.

CORE VALUES

Integrity
We do what we say we will do.

Excellence
We take pride in every job, big or small.

Reliability
We show up on time, and deliver quality work.

Professionalism
We treat our clients and their spaces with respect.

Safety
We prioritise the safety of our staff and clients.

HEALTH & SAFETY

The health and safety of our clients, employees, contractors, and members of the public is a fundamental part of our service delivery.

Cleaning activities can involve chemicals, equipment, wet surfaces, elevated areas, electrical equipment, and other potential hazards. Phoenix Cleaning Services is committed to identifying and managing these risks through responsible work practices and appropriate safety procedures.

Our health and safety approach will include:

- Identifying potential hazards before and during cleaning activities.
- Using cleaning chemicals and equipment responsibly and in accordance with applicable instructions.
- Providing appropriate personal protective equipment (PPE) where required.
- Maintaining appropriate warning signage around wet or potentially hazardous areas.
- Promoting safe handling, storage, and disposal of cleaning products.
- Providing employees with appropriate safety guidance and training.
- Reporting and addressing incidents, hazards, and unsafe conditions.
- Taking reasonable precautions to minimise disruption and risk to clients and members of the public.

We aim to ensure that every cleaning assignment is completed safely, responsibly, and professionally.
